

Diving in mystery of sound of body and soul!

7 days basics
in Nada Brahma Sonology

The science of ground notes

according to the Nada Brahma System by Vemu Mukunda

Feel the power of sound-vibrations in and around your body. Get a new vision of this vibrations with Nada Brahma Sonology and use it therapeutically or in your everyday life.

Get peace and let blossom your heart and your soul in the paradise of Bali.

The system of Nada Brahma takes up the old knowledge of resonances between the sphere of body, the vibrations of tones and the emotion. It is strongly associated with Ayurveda and Nada Yoga and it is the scientific basis of sonology.

You will practice and get to know the following topics:

- *vedical science of sound and tone*
- *keep balance and open the doors to healing yourself by sound and tone*
 - *the interaction of sound and body*
- *the effect of rhythm connected with the sound of voice*

This seminar focusses particularly on people working in musical, art, therapeutic and social professions.
